

BIKE RALLY

In line with the objective of the Election Commission of India to increase the overall voter turnout and to narrow the gap in the drop in voter turn out, educating the masses about the value of voting by emphasizing the importance of informed, ethical and inducement-free voting in the forthcoming Lok Sabha Election, 2014, by framing the Systematic Voters Education and Electoral Participation (SVEEP), the Department of Community Medicine under the guidance of Dr. K. Mujibur Rahman, Head of the Department and Assistant Professors, Dr. T. Prasad, Dr. M. Prakash and Dr. E. Raghunath organized the students to participate in the bike rally conducted on 07.03.2014 at 3 pm at Anna College. Around 75 students of our college from various batches took part in the bike rally which proceeded from Anna College through Bharathiyar Street and concluded at the Collectorate. Students carried placards with various slogans stressing the importance of the objectives of SVEEP to increase the awareness of people regarding educating the people on the value of informed, ethical and inducement-free voting.

Systematic Voters Education & Electoral Participation (SVEEP)
